

Accompanying the Recovery Journey

Create a Safer Environment

RADIANT WARMER
WITH FIXED BABY
CRADLE
www.procaremedfurn.com

KEY FEATURE

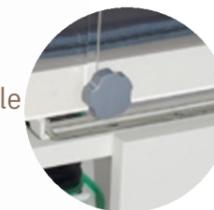

- **Precision Engineering:**
- It comes with a microprocessor-based servo controller for best performance ensuring every infant experiences optimal warmth.
- **Adaptive Modes:**
- From servo Skin to AIR, Pre-Warm, and Manual this radiant warmer boasts a repertoire of modes, adapting effortlessly to the evolving needs of delicate newborns.
- **Intuitive Interface:**
- Twin Digital displays to observe both baby and set temperatures. While soft-touch buttons, coupled with a seamless °F and °C converter, make operation a breeze.
- **Convenience Redefined:**
- Say goodbye to missed feeding with the integrated baby feed reminder. With a dedicated stand for monitors and I.V. and swiveling top to provide better comfort to newborn infants.
- **Safety First:**
- The incubator comes with a safety alarm, coupled with a high-temperature cut-off mechanism, which ensures the outmost safety and peace of mind for caregivers.
- **Unmatched Comfort:**
- This Radant warmer comes with a fixed baby cradle and offers the plush mattress on the baby tray, and collapsible clear acrylic walls offering unrestricted access, every element is designed with the utmost care to provide comfort and safety to newborns.
